

JOSEPH KOPSER

KEYNOTE SPEAKER, EXECUTIVE COACH

HELPING TEAMS ADAPT TO THE CHANGING FUTURE OF WORK

When an invisible enemy engages with your workforce, you need an advisor with combat experience and proven success in managing in chaotic conditions. When your workflow is disrupted, you need a leader who understands jobs and the business nuances of today. Finally, when steady communication is needed throughout uncertainty, you need a coach and partner who delivers an effective message. Joseph Kopser supports from the front lines to the C-Suite to help manage the change you face today.

"Joseph's ability to convey the societal importance of technologies to audiences with a huge range of technical backgrounds—from novice to expert—and have everyone come away feeling both informed and inspired is remarkable and rare."

— Austin Forum on Technology and Society
